

Asynchronous, online **Booster Courses** will provide students with an opportunity to review and prepare for the next year.

These courses are designed to help students who are less confident to **practice their skills and be ready for the Fall 2023 school year.**

# BOOST YOUR SKILLS

[berksonlinelearning.org](https://berksonlinelearning.org)

Students can access the course anytime, anywhere.  
Middle School and High School courses available.

## Schedule

- Classes begin June 12 and end on August 7, 2023
- Enroll online at [berksonlinelearning.org](https://berksonlinelearning.org)
- Enrollment begins June 1, 2023.

## Help your student “boost their skills” this summer with Berks Online Learning Booster Courses!

- Weekly live sessions with live teacher office hours for additional tutoring and support
- Asynchronous Language Arts and Math courses designed to help get your student back on track
- Engaging and flexible options making summer learning convenient for any family

### Cost to Families

**\$270 per course**

Register and pay online at

**[berksonlinelearning.org](http://berksonlinelearning.org)**

Courses are non-refundable.

**Enrollment begins June 1, 2023**

### Please note:

- Students should enroll in the level of course they completed in Spring 2023.
- Successfully completing a Booster course will not affect a student’s previous grade or transcript. Courses are not available for high school credit.
- Students must have computer and internet access.

### Flexibility & Convenience

Students may access course materials anytime (24/7) and anywhere they are connected to the Internet. They may even continue to make progress on their coursework during a family vacation or an out-of-town visit with friends or relatives. A teacher is always available to help each student stay on track.

### Local Support

Students and parents can rely on the Berks County Intermediate Unit (BCIU) for ongoing support.

### Schedule

- Classes begin on June 12 and end on August 7, 2023.
- Students can complete their coursework anytime and anywhere.

### You’ll find challenging and engaging choices with the Berks Online Learning Booster Courses

Students may choose from a list of online classes. Our multimedia-based curriculum engages students in the learning process with video presentations by highly qualified subject-certified teachers, and online projects to ensure students master the instructional content.
